

Preparation

VCU Brandcenter 2012-2014 M.S. in Creative Technology

Highlights

- Best in Show Richmond Ad Club Show.
- Business of Branding: First place overall. Earned myself a sweet vacation for this!
- Virginia Department of Health: Won the pitch. I get to work with the VDH for the next year making this project come to life. Also earned some sweet bragging rights with my peers.

How I got here

Teachers said I would be lucky to graduate High School, and for the most part, they were right. I never thought I would attend college; much less a graduate school, but here I am. After many years of searching I have found the thing I love to do; the thing I am meant to do. It took me a long time to figure this out, but the wait was worth it!
